The Class of 2007 has consistently been a standout for its spirit and creativity and commitment. They have worked together with their Class Advisor, Mrs. Anne Flaherty, to raise the bar for all BHS classes, excelling as a cohesive unit that has fun!

For the past two years, Mrs. Flaherty has donated her time away from her family and friends to help in making the high school experience an enjoyable one for these seniors. On behalf of the senior class, we would like to thank her for her commitment to excellence.

Seniors sweep competition!

Class of 2007 maintained the "Senior Sweep" tradition at Fall Rally

Dance performances by the football cheerleaders, the Powderpuff players, and the Powderpuff cheerleaders were all a big hit. Students also participated in a relay race that involved an intense "eat-a-donut-on-a-string" contest.

The emcees for the event were Allison Chaisson and Stephen Capodilupo.

The MCJROTC presented our nation's colors.

CAN I GET A "HOO RAH!"

On the road of life it matters not where you go,

...but who you're with along the way

In Loving Memory

Kevin "Joey" Scotti

*Somewhere over the rainbow
Way up high
There's a land that I heard of
Once in a lullaby.
Somewhere over the rainbow
Skies are blue
And the dreams that you dare to dream
Really do come true.
Someday I'll wish upon a star
And wake up where the clouds
Are far behind me.
Where troubles melt like lemon drops
Away above the chimney tops
That's where you'll find me.
Somewhere over the rainbow
Bluebirds fly
Birds fly over the rainbow.
Why then, oh why can't I?
If happy little bluebirds fly
Beyond the rainbow
Why, oh why can't I?*

Just a small town girl
 Livin' in a lonely world
 She took the midnight train
 Goin' anywhere
 Just a city boy
 Born and raised in South Detroit
 He took the midnight train
 Goin' anywhere

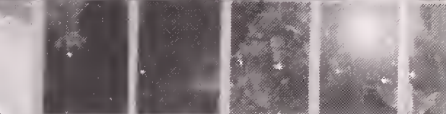

A singer in a smokey room
 A smell of wine and cheap perfume
 For a smile they can share the night
 It goes on and on and on and on

Strangers waiting
 Up and down the boulevard
 Their shadows searching
 In the night
 Streetlights, people
 Livin' just to find emotion
 Hidin', somewhere in the night

Workin' hard to get my fill
 Everybody wants a thrill
 Payin' anything to roll the dice
 Just one more time
 Some will win
 Some will lose
 Some were born to sing the blues
 Oh, the movie never ends
 It goes on and on and on and on

Strangers waiting
 Up and down the boulevard
 Their shadows searching
 In the night
 Streetlights, people
 Livin' just to find emotion
 Hidin', somewhere in the night

Don't stop believin'
Hold on to the feelin'
 Streetlights, people
 Don't stop believin'
 Hold on
 Streetlights, people

One Of A Kind Freshmen

Millie Chapman

Year round Millie can be caught on the slopes anywhere from Chile to New Hampshire. Millie is an extremely talented snowboarder and has competed in national competitions, and in the US Open Freestyle & Racing competition. In her spare time Millie is a distance runner for Beverly Highs Girls Track and Cross Country Teams.

CJ Caccitore

CJ started playing goalie when he was just eleven years old. Now as a freshman, he is the starting netminder for the BHS varsity hockey team. This year CJ was vital to the Panthers' success in establishing themselves as one of the elite teams in the NEC. CJ has only allowed 1.23 goals per game.

Even before entering Beverly High School, Aaron was welcomed into the BHS musical community. As an 8th grader, he played Chip in "Beauty and the Beast" and this year he was the butler in The "Man who Came to Dinner", and Mereb in "Aida". With his fantastic voice, Aaron Swiniuch is one to look out for in BHS musicals to come.

WELCOME TO THE HURD STADIUM ***PANTHER COUNTRY***

BEST SEASON IN OVER A DECADE!

Beverly was led by its seniors in the 2006 football season. The senior backfield of Tanzella, Nardella, and Bailey tore apart opposing defenses throughout the season. Sr. Captain Matt McAniff was a standout from his wide receiver position en route to a fantastic record.

"Lightning in a Bottle," "Whirling Dervish"

Beverly senior running back, defensive back and tri-captain Patrick Bailey was one of the top players in the state in 2006. A three year starter, Bailey ran for over three thousand yards and scored over thirty varsity touchdowns. Elected the Northeastern Conference MVP in both his junior and senior years, Bailey also reset three records on the Beverly Gridiron. Bailey has also been a popular recruit in the Northeastern Region, receiving attention from prestigious universities such as Harvard, Tufts, and Worcester Polytechnical Institute.

Leading the Pack

Beverly's offense made it easy for a number of Panthers to reach the endzone in the 2006 season. Captain Pat Bailey, Pat Abate, Nick Tanzella, captain J Michael Nardella, David Mock, and Greg Pierce all had multiple scores. On the defensive end, the Panthers were anchored by their linebacking core of Nathan Verry, Nardella, Mock, Rashad Sims and Chris Bushey, as well as talented secondaries Bailey and Pierce.

The Black & Orange

Best Since
1998!

	Us	Them
Lynn E.	41	12
Marblehead	34	6
Swampscott	34	7
Winthrop	7	40
Danvers	35	14
Revere	24	8
Saugus	21	0
Lynn C.	31	22
Gloucester	20	18
Salem	28	7

Beverly's offensive line was dominant throughout the season. Except in their one loss to Winthrop, Beverly was successful in creating over 200 yards rushing per game. Though undersized, offensive linemen Nick Traicoff, Liam Blodgett, Brian Kureta, Levi Anderson, Nathan Verry, Nick Doig, and Pat Abate all played pivotal roles in the Panthers' success.

Beverly's defense continuously improved throughout the year. With the game on the line late in the fourth quarter against a powerful Gloucester team, Beverly held their ground and stopped the Fisherman on three straight plays from inside the one-yard line, taking the game 20-18.

"The Panthers Win! The Panthers Win!" -VOP Chris McDonough while broadcasting the Panthers' amazing game at Gloucester

"That was a Sick Convoy!"
-Sean Deady Jr. WR

Marching Band

In 2006, the Beverly High School Marching Panther Band took a break from competition and focused on delivering a terrific halftime show. Band Director Mr. Ray Novak had another great season, enjoying lines from the 70's, cleverly naming the halftime performance "That 70's Show."

DRUM MAJORS

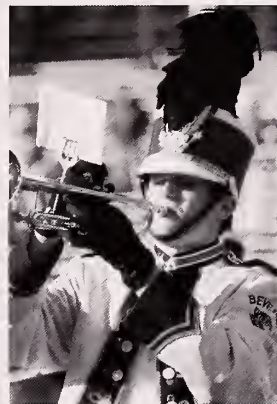

Hannah Tannebring '08, Chris Bodek '08, and Ellen Cooper '07

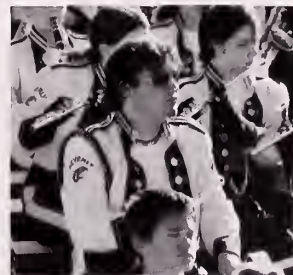

That 70's Show!

The Marching Panther Band!

There is certainly more to the Panther Marching Band than meets the eye. Nightly practices in the BHS parking lot prepare the musicians for the harsh conditions New England football games often carry with them. Also, it is to be noted that the Beverly High School Marching Panther Band is one of the best marching bands in the Northeastern Conference, if not the state.

Football Cheering

In 2006, the Beverly Football Cheerleaders were extremely busy. Hosting a cheering exhibition, competing for the NEC title, and loyally cheering on their beloved football team, the girls were still successful in qualifying for the regional tournament. Highlighting their success were finishes above rivals Salem and Danvers. The girls' skill, character, and spirit led to a fantastic season both on and off the mat.

Powderpuff 2006

The annual Beverly Salem Powderpuff classic proved to be one for the ages. Having won the last eight contests, Beverly came into a hostile Salem environment. After an emotional and thrilling performance, the hosts prevailed in sending the Panthers home with a loss.

Beverly senior captains Nicole Nardella, Jhenna Louis, Erin Cheney and Catie Cullen led the Panthers on and off the field. Nardella and Louis led a potent offense, while Cullen and Cheney anchored a stingy defense. The Panthers only score came on a 30-yard touchdown pass from Nardella to wide receiver Jackie Willwerth.

Despite the loss, Beverly had its greatest turn out in the history of the game. 3,000 Beverly faithful showed up to support their senior girls.

Beverly was led by their anchoring defense in 2006. Holding Salem scoreless and giving up only one first down in the first half, Middle linebackers Erin Cheney and Catie Cullen set the aggressive tone early for the ladies of BHS. In a defensive battle, Salem edged out Beverly 19-7.

The senior girls were still in high spirits, despite the loss against their Salem rivals.

It was a tough loss, but everyone had fun and enjoyed the thrilling atmosphere.

It took three buses to carry Beverly High's Powderpuff players and cheerleaders to Bertram Field in Salem on November 17.

After drawing powerhouse Lincoln-Sudbury in the opening round, the Panthers came up short and ended their season at 11-4-3.

The Panthers were led by: Emily Traicoff, Kayla Lefavour, Sunnie King, Noele Kleemola, Alex Scialdone, Alicia Holman, Liz Cronin, Jeff Baker, Beth Cullen, Rachel Konaxis, and Kate Williams.

Junior forward Mike Boches showed off his speed and agility on the field.

Senior Stefano Basso came up big in key moments during many games throughout the season.

Gentian Bako '07 was a key component to the Panther's defense.

Junior Taylor Martin has been positively contributing to the team throughout his career as a Panther.

Senior Edwin Mbugua, transfer from Kenya, racked up the goals and assists this fall season.

This year, the boys soccer team had yet another successful season, making it to the state tournament. Having lost key players such as all-star goalie Greg Halle, and All-American Chris Ethier, many believed this would be a rebuilding year for the Panthers. However, they won many big games, and fought hard to the end of every match, which ultimately led them to a tourney berth. Senior captains Matt Dube, Alex Boches, Erick Melanson and Freddy Gonzalez led the team with dedication and hard work. Wesley Harrison, Edwin Mbugua, Mike Boches, and Taylor Martin were also key contributors to the Panthers successful season. Their season ended in the tournament in heart breaking fashion, losing in a shoot out to an excellent Malden team.

Let's Go, Girls!

The Girls Soccer Team had a shaky start this season, losing 6 out of the first 8 games, but they fought hard to turn their luck around and finished 3rd in the conference.

The Lady Panthers will graduate only four seniors and have high hopes of recapturing the Northeastern Title.

The Panthers will miss the presence of seniors Erin Cheney and Katie Hurley on defense, Lauren Bolger in the midfield and Jackie Willwerth up top, but the under classmen, including three freshmen, have proved themselves to be valuable players.

Freshman Haley Lorge excelled in the net while Mary Accomando and Bridgette Leahy were both scoring threats for the Panthers. The team will also be helped by a strong group of JV players moving up next fall.

SISTER SENSE

Co-captain Alyssa Accomando '08 and her sister Mary Accomando '10 were a strong force on the BHS Girls Soccer Team this year. Coach expects the siblings to be even more effective next year.

Captains Jamie Sebastian '07, Meghan Corcoran '08 and Amanda Krugman '08 led the Girls Tennis Team to an exciting 9-5 record this season.

The team placed fourth out of ten in the North East Conference. Although they were unable to defeat their rivals Marblehead, the team still finished with a winning record. First singles, Sabrina Salmela '09, went undefeated for the second year in a row.

The team of 41 girls was coached by Karen Corcoran. Nine team members will graduate in 2007 and will be greatly missed next year.

Thank you to Beverly Golf and Tennis who offered their courts for the girls' practices and home matches.

The Man Who Came to Dinner

The 2006 Fall Play was a great success!

This year's fall play, *The Man Who Came to Dinner*, was an amazing success. Director Ms. Betty Taylor decided to produce this show. It was a difficult show for the director and actors because many students auditioned for the show, and it would involve more parts.

Audiences loved the performances all three nights. Mike Dettorre '08 played the lead, Sheridan Whiteside, a famous radio personality who is confined to the Stanley household for recuperation. Darcy Milburn '07 was outstanding as his secretary Maggie. Dan Kilham '07 played reporter Burt Jefferson, and Anna Roy '09 portrayed the drama queen, Lorraine Sheldon.

The rest of the cast included: Matt Boccuzzi, Steve Moffett, Rob Macy, Emily Walk, Sam Eckmann, Vanessa Kelley, Stephanie Harris, Zac Currier, Ali Kluge, Alex Crawford, Dan Amore, Blythe Froggat, Abby Wells, Rachel Brown, Aaron Swiniuch, and Jennifer Goss. Michelle Shaw was student director.

Outstanding Performances

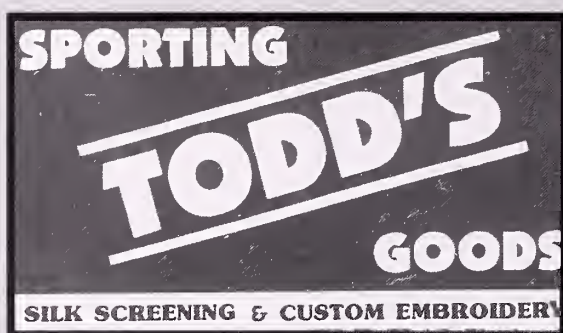

The Man Who Came to Dinner featured an unusually large cast of characters for a non-musical production. Audiences were entertained by the vibrant cast of characters that traveled onto the stage, each one bringing a fresh new energy.

Matt Boccuzzi wowed audiences with his self-centered British actor, Beverly Carlton. Steve Moffett portrayed the hilarious Banjo with terrific physicality. Sam Eckmann played the overeager Dr. Bradley with great enthusiasm. Vanessa Kelley stood out as the overworked nurse, Miss Preen.

Congratulations, Class of '07!

2006 - 2007 Season Wrap-up

The Beverly High Swimming and Diving team had yet another successful season in 2007. Posting an amazing record of 6-1, with their only loss coming to powerhouse Marblehead, the Panthers had a remarkable year. Veteran leadership anchored the team; however, strong underclassmen will ensure Beverly's success in the coming years.

Beverly also welcomed two additional divers to the 2007 team. Joining senior Abby Siemasko were freshman Megan Bolger and Olivia Wilson.

The swim team, led by senior captains Molly Curran, Christian Hurst, and Nicole Acciavatti combined for yet another terrific season with the Panthers. Other instrumental swimmers included seniors Vanessa Athanas and Katy Loubris. The swim team will miss all of the graduating seniors, but remain optimistic about future success in the pool.

Boys Hockey

Another Tournament Year!

After a rough and tough opening to the 2006-2007 season, the Panther's ice hockey team exceeded expectations en route to an 11-4-5 season.

Beverly was led offensively by seniors Jake Konaxis and Alex Boches, as well as juniors Jack Leatherstich and Chris Bushey.

The Panthers' strong defense was anchored by junior captain Alex Baker and Andrew Eriksen. Team defense highlighted the successful run for the Panthers, allowing few shots on goal for freshman keeper C.J. Cacciatore. Beverly ended the regular season on a 10 game unbeaten streak.

In the Division 2 North State tournament, the Panthers earned the 8 seed and played Newburyport. Newburyport's physical play was too much for the Panthers, and the Clippers prevailed 3-1. The Panthers aim to get back to the state tournament next year.

Final Record
16-6
Best in 8 years

Top to bottom: Catie Cullen drives on a defender; Brittany Batchelder pulls up for the jump shot; Alex Vavladellis looks for an open teammate; and Shaina Manuel takes it to the hole.

The Lady Panthers rolled to an impressive 16-6 record in the 2006-2007 season. In losing two emotional and close games to undefeated Winthrop, the girls proved they can compete at any level of play.

Leading the team on and off the court were senior captains Brittany Batchelder and Nicki Nardella. Shaina Manuel stepped up as one of the top scorers in the area, and Catie Cullen's defensive tenacity was something every team would love to have.

Juniors Breezy Dwyer and Alex Vavladellis consistently contributed to the teams' success by defensively shutting down opposing offensive threats. Kellie Shea '09 proved herself as a versatile player who shows a lot of promise for the years to come.

At the end of the season, seniors Brittany Batchelder, Shaina Manuel and Nicki Nardella nabbed NEC All-Star honors and Coach Smith was deservedly named Coach Of the Year.

Every girl on the team played a huge role on the road to success for the Lady Panthers during the 2006-2007 season.

Second in NEC!

The Panthers proved to be a powerhouse in the NEC, yet again. With key wins against Lynn Classical and Winthrop, the boys proved to be a tough match. With two disappointing losses to Marblehead, the boys came up just short of a repeat for the NEC South Title.

The boys entered the State Tournament with a 12-8 record. Masco and Chelsea proved to be no challenge for the Panthers in the first two rounds of the Division 2 State Tournament. The Panthers lost in the semi-finals to Belmont, but had their strongest tournament run in over 46 years.

Seth Stantial '07, Matt Tobin '08, and Nate Knudson '09 were all named NEC All-Stars.

Girls Indoor Track

Beverly High's Winter Girls Track Team came out on top again this year with a record of 10-0. With runners like Kasey Kluge, undefeated in the 1,000-meters, the mile and the 2-mile, and Sunnie King, Beverly's undefeated shot putter. Other impressive times came from Nikki Lemelin, the fastest in the league in the 50-yard high hurdles. Sophomore Katie VonZweck had the second highest jump in the Conference. Mariannia DiMaggio placed second in the 300. Sprinter Helen Amore with the best time in the 50-yard dash and Jenifer Pino two places behind her, helped the team as well.

"Voted NEC Sportsmanship award for the second consecutive year, by other coaches, shows the girls have outstanding attitudes!"

Another Successful Season

In 2007, the Beverly High School Boys Winter Track Team capped off another great year, finishing with an 8-2 record and third place in the conference. The Panthers were led by tri-captains Jason Kruczynski, Dylan Kintish, Doug Tibbets and coaches Nelson DiSilvestre and Jeff Hutton.

Key runners for Beverly included: Jason Kruczynski in the 2-mile, Brendan Norris in the mile, Brad Olson in the 1000 meters,

Dylan Kintish in the 600 meters, Sean Deady in the 300 meters, and Greg Pierce in the 50 meters. Juan Moran and Bobby McPherson also performed well in the shot-put.

At the Northeastern Conference Meet at Reggie Lewis Center in Roxbury, Jason Kruczynski was Beverly's only first place finisher in the 2 mile.

Captains & Coach

The captains led the way during the meets and provided strong leadership for the younger runners. Coach Nelson DiSilvestre was named Coach of the Year in the NEC. From left to right: Captain Jason Kruczynski, Coach Nelson DiSilvestre, Captain Dylan Kintish, Captain Doug Tibbets.

The Panthers had an outstanding season in 2007, finishing 8-2. The future looks bright for the track team, as they have many returning key runners.

Brendan Norris starred for Beverly in the mile, 1000, 600, and the 4x400 relay.

Hittin' the Mats

For the first time in over twenty years, Beverly High School founded its very own varsity wrestling team. Headed by Coach Mark Thomas and assistant coaches Sean Gallagher and Garrett Parsons, the team had a wealth of knowledge to go with the enthusiasm and dedication of a talented young team.

Senior captains Adam Jalbert, Kevin Thomason, and Sean Lloyd led the way in their first, and only, high school wrestling experience and offered a tremendous amount of dedication in their senior year. Other large contributors included Brian Kureta, John DePaula, Jake Petronzio, and Raz Davidyan.

Another Success!

This year BHS students lit up the stage yet again with their performance of the Broadway musical "Aida". Music by Elton John and lyrics by Tim Rice, this love tale surrounds the forbidden relationship between Radames (Rob Macy), the Egyptian prince and Aida (Vanessa Kelley), a captured Nubian princess. Other key performers included Izzy Pulido and Jami DeVito double cast as Amneris, Sam Eckmann (Zoser), Aaron Swiniuch (Mereb), Bethani Boccia (Nehebka), Nick Doig (Pharoah), and Paul Fickenwirth (Amonasro). Under the direction of Ms. Carolyn Pilanen, the ensemble brought down the house with the fabulous music of "Aida".

The Harlem Rockets fundraiser was one of great excitement and interest to the Beverly community, with the Class of 2007 selling over 1,000 tickets and packing the field house!

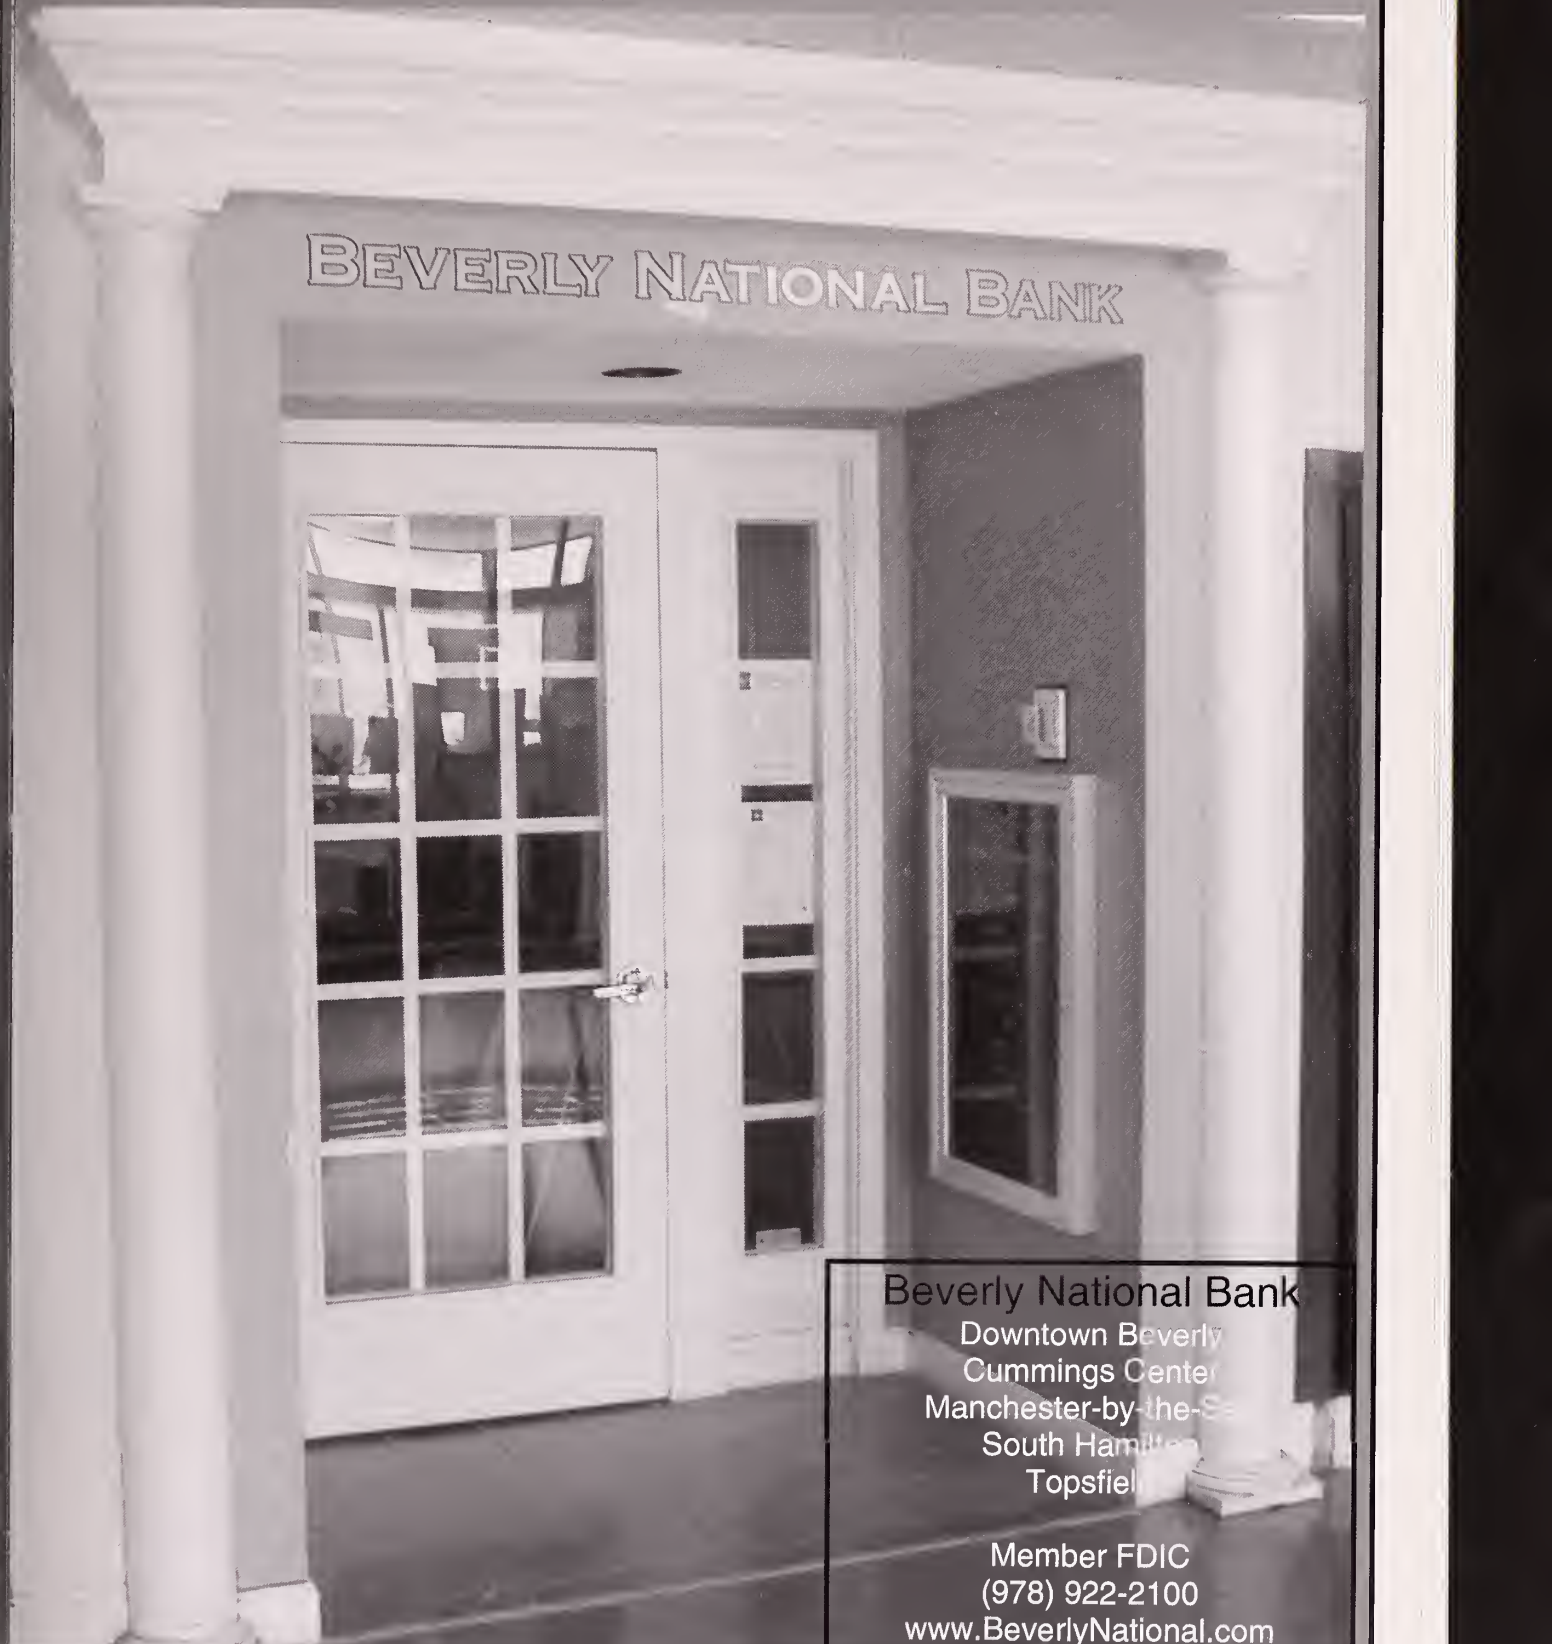

A group of dedicated and determined Beverly Public School faculty members combined to create the Faculty Dream Team.

In spite of a lopsided loss, the Dream Team held their heads high, knowing that their performance helped to generate funds for the Senior Class, as well as for the Doug Flutie Jr. Foundation for Autism, not to mention the fun everyone had. Special thanks go to the parents of Tori Kelleher, Allison Chaisson, and Nicki Nardella for all of their hard work.

Mrs. Flaherty, Kim Reinold, Tori Kelleher, Allison Chaisson, Amanda Richards, Erin Cheney, Nicki Nardella, and Meaghan Lyons (pictured above with the Rockets) played major roles in bringing this event to BHS.

Good luck, Graduates!

The National Honor Society is an organization dedicated to recognizing and rewarding students with high academic achievement. 75 seniors were inducted in a combination of two induction ceremonies. One took place in June and the other November 2006. The officers elected for the Class of 2007 are President Christian Hurst,

Vice President Nicole Acciavatti, Secretary Nicole Nardella, and Treasurer Meaghan Lyons.

Members have volunteered their time to tutor BHS students in an array of subjects. They contribute to the community by organizing a holiday canned food drive and a blood drive.

DECA-what

The Beverly High School DECA chapter has had a record number of members during the '06-07 school year. The two marketing teachers, Ms. Megan Sudak and Mrs. Kristen Marescalchi, have rigorously trained students during the first semester of classes, preparing them for the competitions to come. Working all of first semester to hone their skills and prepare for the district competition, 29 students' efforts paid off with an opportunity to advance from regionals to states, with five qualifying for nationals.

Model United Nations

The BHS Model United Nations Club had both a fun and productive year. Delegates in Model UN attend conference and learn a lot about international relations and conflict resolution.

This year, with their advisors Mrs. Ronan and Ms. Brotherton, the Model UN Club attended conferences at St. John's Prep, Concord Academy, and Brown University in Rhode Island.

Delegates worked hard on writing resolutions for some of the most important issues in the world today, taking on the views of the country they were representing. They also enjoyed working with students not only from Beverly High, but also with delegates from as far away as California.

BHS Teen Club

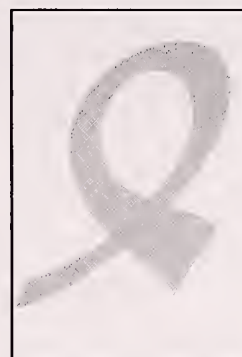

Making Strides against Breast Cancer

The Making Strides against Breast Cancer Walk, which is held every October, began about ten years ago. This year's walk had one of the more successful turn-outs for BHS with many student participants. They raised over \$5,000 for the cause.

Wayside Trailers, a company owned by Junior Vanessa Kelley's father, provided the t-shirts for the participants to wear during the walk. While Mrs. Kersker and Mr. Whitwicki organized the walk, Junior Michelle Shaw took the initiative to spread the word to the students of BHS, persuading them to become involved. Shaw raised an outstanding amount of money, as well.

After the walk this fall, Shaw started BHS Teen Club to focus on preparation for next year's walk. They've already begun fund-raising for next year's event.

BHS Teen Club has set a goal to raise \$10,000 for next year's breast cancer walk.

Pinwheels for Peace

Pinwheels for Peace is an art installation project started in 2005 by two art teachers, Ann Ayers and Ellen McMilan, who teach at Monarch High School in Coconut Creek, Florida. It was started as a way for students to express their feelings about what's going on in the world, as well as in their lives.

The main goal of the project is for students to make a visual statement of their feelings on such topics as war, peace, and tolerance. Pinwheels for Peace is not political because it is not just a mere outcry against war. The project hopefully makes the public open their eyes and let them know just what the next generation is thinking.

The pinwheel was chosen as the symbol because it represents a joy and peace, a time during childhood when life was simple and enjoyable. They can be made from any type of material, including copy paper, thin plastic, and lightweight metal. On one side of the pinwheel students write their thoughts about issues such as peace, war, and tolerance in the form of a poem or essay. On the other side students do things such as draw, collage, or paint to express their opinions.

On September 21, also known as International Day of Peace, students place their pinwheels wherever they wish. Mrs. Paula Borsetti is in charge of organizing the annual project, receiving help from Mrs. Jane Cohen and the Key Club. Over 1 million pinwheels were spinning in more than 2,400 locations around the world on September 21, 2006.

French Exchange

BY Sarah Lane

Students visited from Albertville, France in October

For two weeks, BHS students hosted French students from Albertville, France, eight of whom had previously visited two years ago.

While here, the students visited Maine, Boston, Providence, Newport, and Salem. After their stay in Beverly, the students spent four days in New York City.

Many people believe that the French have a negative stereotype of Americans; however, the French exchange students said they like Americans. Some even said that Americans are nicer than the French.

The French students watch American shows on television, but feel that everything in America is bigger in real life. In comparison to their homeland, the cars, roads, and buildings seemed much larger. In France, most people walk everywhere, since the towns are smaller.

French schools are different from American schools. At JDA, the students are always in class with the same people.

They do not change classrooms throughout the day or choose the classes they wish to take. Also, the school day in France is much longer than here. The students get out at 5:30 every day, but they get an hour and a half break for lunch. Also, they do not have any after school activities, like sports, band, or play practices.

All teenagers like to do the same activities with their friends. They like to go to the mall, go out to restaurants, and go to the movies.

Some people think that just because a person lives in a foreign country or speaks a different language, he/she will not be like them at all. The exchange program allows students to realize that no matter where they go in the world, everyone has something in common.

The BHS hosts learned a lot about France and its culture.

German Exchange

In February nine students and chaperones, J. Douglas Guy and Diana Buccella, took a two-week excursion to Germany.

During the first week, the students lived with students at our partner school in Nuremberg, the Sigmund-Schuckert-Gymnasium. They were welcomed with a potluck dinner and taken on field trips to St. Lorenz Church, the castle, and tours of the city and the German National Museum.

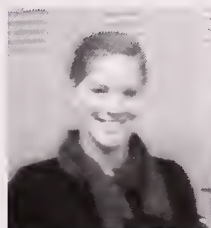

After their stay in Nuremberg, the Beverly group spent a week in Berlin. Activities included visits to the Pergamon Museum, the Museum at Checkpoint Charlie and the new German Historical Museum; a double-decker bus tour of historic sites, visits to restaurants, and a trip to Potsdam to visit Sans Souci Palace, that once housed Fredrick the Great.

By the end of their stay in Berlin, the students had climbed to the top of the Reichstag's glass cupola, visited the Brandenburg Gate by night, seen the new Chancellory, the new American Embassy, the Holocaust Memorial and other impressive sites.

Jule Stieghorst was Germany's representative from the Rotary Club to America. She enjoyed her stay here and she was glad that she had an opportunity to improve her English speaking skills. Jule hopes to spend another year in a foreign country.

Rebekka Blomqvist visited Beverly High this year from Denmark. She especially enjoyed the sports and everything they incorporate, such as team dinners and dress up days.

Christine McKeon, '07, is going to Belgium next year as the United States representative in the Rotary Exchange. She is looking forward to being part of a completely different culture and she is excited to travel.

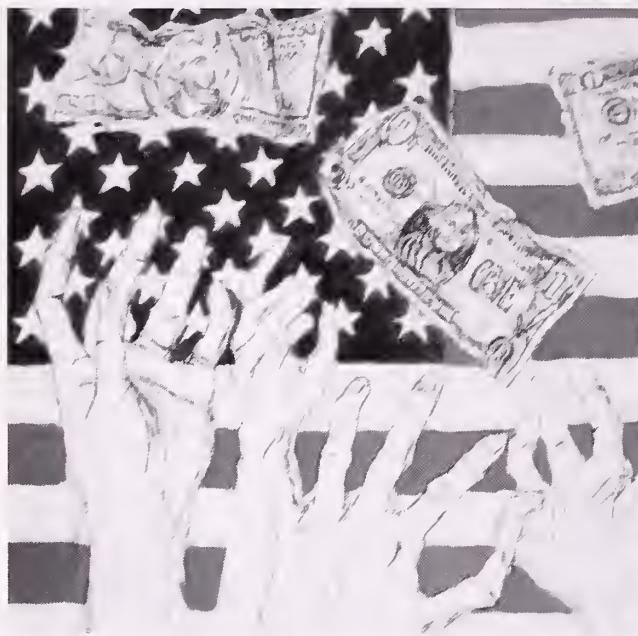

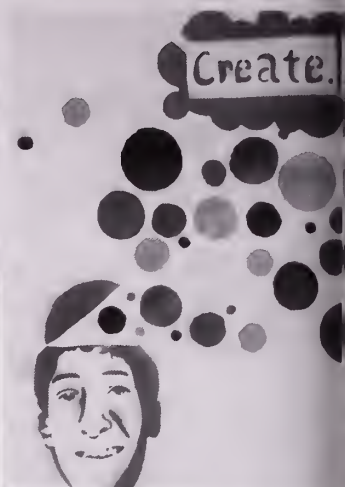

During the Summer of 2006, five AP German students - Hannah Howard, Marissa Lischinsky, Tom Mahoney, Alyssa Soares and Brendan Decourcy - spent four weeks in Germany and were only permitted to speak only German throughout their stay. Another group of students traveled to Germany for two weeks in February.

Students in the Photo Club meet every month in Mrs. Graczyk's photo lab. The club is open to anyone who loves photography. At meetings they take pictures into the dark room to be developed or to experiment with developing methods. The club also takes day trips into Boston to take photos around the city.

Vocal Ensemble

The Vocal Ensemble is an audition only singing group practicing every other day opposite Concertquire. Vocal competed in several competitions this year such as the MICCA (Massachusetts Instrumental and Choral Conductors Association) Festival and on the yearly music trip. This year Vocal also competed at the state finals of the National Championship of High School Acapella, a new experience for the group. The group also performed at various community functions as well as the school concerts. The members perform challenging music with ease and are always a joy to listen to.

Concertquire

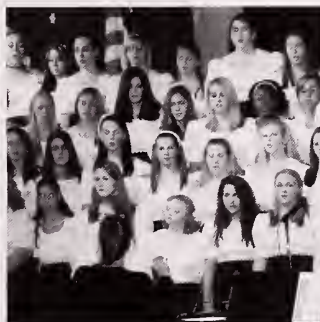

The Concertquire is an all girls vocal group under the direction of Ms. Pilanen practicing every other day opposite Vocal Ensemble. The group is open to all female students with a love of music and a desire to work on more difficult songs. This year the Concertquire participated in the school concerts as well as competed at the MICCA Festival and on the music trip to Washington DC and Virginia Beach.

Chorale

The 2006 - 2007 BHS Chorale hit another high note this year with a strong set of challenging selections. Over the last few years this mixed choir has grown to well over 160 students and has been divided into two separate class blocks that join together to perform at three concerts each year, as well as to compete on the yearly music trip. Under the talented direction of Ms. Carolyn Pilanen, this group is open to any student who loves to sing and is ready for a challenge.

BHS Vocal Director - Ms Pilanen

As the director of all three vocal groups and the director of the school musical, Ms P., as she is fondly called by her students, works tirelessly to prepare her vocalists for competition.

Strings

The Beverly High School String Ensemble continues to grow each year under the direction of Mr. Novack. The ensemble consists of viola, violin, cello, and base instrumentalists. The group performs at the winter and spring concerts, and competed at the annual music trip this year to Washington D.C.

JAZZ BAND

The jazz band is a unique audition-only group. Meeting every other day, the Jazz Band works on many challenging jazz selections. They perform at the winter and spring concerts, and compete at various competitions throughout the year.

Concert Band

Following the conclusion of the Marching Band season, the BHS band begins to prepare for the Concert Band season. The Concert Band, under the talented direction of Mr Raymond Novack, performs at the spring and winter concerts, as well as competes on the music trip, this year to Washington DC and Virginia Beach.

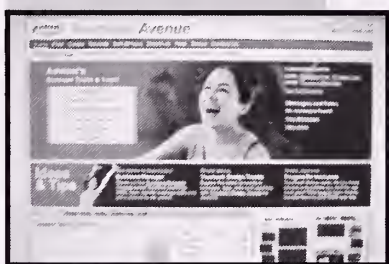

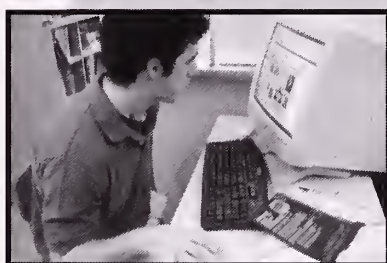

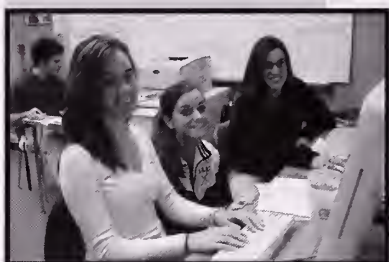

Mr. Raymond Novack

Mr. Novack has devoted over 30 years of service to the BHS music department. In addition to directing the concert band, jazz band, and string ensemble, he assists with the spring musical. It's safe to say that without Mr. Novack's talented direction the BHS instrumentalists would be lost.

Beverlega Co-Editors: J. Michael Nardella & Tori Kelleher

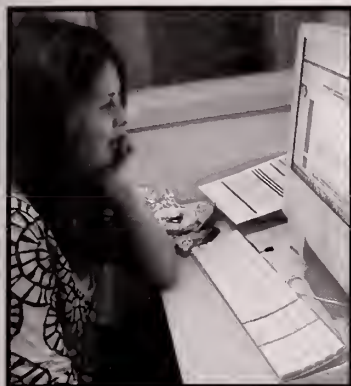

The 2007 Beverlega was created completely online for the first ever. A strong supportive staff met Thursday mornings and afternoons. The journalism classes were also large contributors to the project. In addition, Beverly High students were invited to upload their own photos directly to the yearbook website. With the help of the Senior Class, the yearbook staff was able to buy a new Apple computer to aid in the process. Months of hard work and preparation went into the completion of the 2007 yearbook.

Key Club is an organization that strives to influence students to help serve their community. It is the student branch of Kiwanis International, a nationwide organization dedicated to serving the youth. Some of the many service projects they have accomplished this year have been a collection of books for children in hospitals, knitting hats and scarves for orphans in Eastern Europe, and a Dr. Seuss breakfast.

Festival of the Arts

The year looked bleak for the annual Arts Festival at Beverly High; however, seniors Dan Amore and Darcy Milburn united the *Aegis* staff and NAHS to continue the Beverly tradition.

They scheduled the Visual Arts Night, with student art work exhibited in Gallery 100; Night of the Spoken Word with a writing workshop featuring published author Dana Cameron and an open-mic showcase of talented student poets; Performing Arts Night with a special encore scene from *Aida* and performances by the BHS Vocal Ensemble, the String Ensemble, the Jazz Band, and the Hip-Hop Club.

Published author and literary enthusiast Dana Cameron served as Guest of Honor for Beverly High's Night of the Spoken Word. She offered words of wisdom and encouragement to all who attended.

Aegis co-editors Darcy Milburn and Kristine Kapoll helped set up for the Visual Arts Night and hosted the Night of the Spoken Word.

World Of Difference

World of Difference is a program run by the Anti-Defamation League in Boston. The students who participate in this program were recommended by teachers and were required to fill out application forms to become a member. They participated in a three-day workshop that teaches awareness of discrimination and techniques for breaking down stereotypes within the school. Members then present activities to freshman classes, discussing the importance of acceptance and tolerance throughout everyday life. This year the World of Difference program became a class taught by Mr. Thomas & Mrs. Gorman.

Peer Leadership

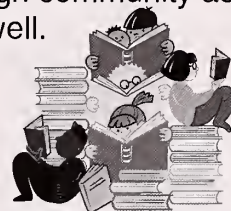

Beverly High School created its first peer leadership class in the 2006-2007 school year. The peerleaders have organized activities such as the Fall Pep Rally, Bridging the Gap and the Danvers Explosion Raffle. The students, compiled largely of juniors and seniors, were directed by Mrs. Anne Flaherty and had a great year. They also hope all the underclassmen follow the tradition of exciting volunteer extracurriculars!

Library Aides

Mrs. Fecteau's Lil' Helpers

Library aides are a group of students that range from grades 9 to 12 that spend their open periods in the library stocking books, organizing papers, and making life easier for the students. They also help the school librarian, Ms. Fecteau, think up new ideas and books to bring into the library. The library aides are also extremely active in the Beverly High community as well.

Computer Maintenance

Nine years ago Beverly High received a grant from the SaTL (Students as Technology Leaders) Program to start a class in computer maintenance and repair.

Students who have a strong interest can continue as computer maintenance interns, providing support for the school's computers and network. These students work on hundreds of BHS computers over the course of the school year, gaining class credit, technical knowledge and solidifying their strong computer skills.

Mrs. Pam Gougian supervises the class, answering any questions students may have.

Table Tennis Club

The BHS Table Tennis Club was founded by Pat Bailey and Matt Marquart in 2004 and is now in its third vivacious year. The club has grown since its first year, gaining two additional tables and even fielding a JV team. The club is also interested in scheduling matches with St. Johns Prep and Hamilton Wenham. Though Bailey and Marquart have established themselves as the elite members of the team, they are excited to witness the potential of underclassmen en route of becoming Table Tennis Greats.

Ultimate Frisbee

Discus Maximus

The Ultimate Frisbee Team began as a club under two BHS seniors four years ago. Since then, the team has evolved from a club to a team that competes all over Massachusetts against such teams as Newton South, Attleboro and St. John's Prep. Left in charge by Class of '06 Captains, Pete Pihanen and Tucker Allen, the seniors of '07 look to make this spring and summer the best season BHS Frisbee has ever seen.

The team practices daily on the side field of the school or Cross Lane Field. The BHS Frisbee Team is an open group and newcomers are welcome to join.

Tournament Talk

Tri-Captains Gear Up

Ultimate Frisbee took it to the fields all over Massachusetts this year in an attempt to make the state tourney. Leading the way were tri-captains Jon Crean, Josh Richardson and Nate Shaw.

Media Productions

The Beverly High School Media Productions Department is one of the most active and successful organizations at Beverly High School. Generating a partnership between BevCam and Beverly High in 2002, Beverly High School students have access to a full functioning television studio free of charge.

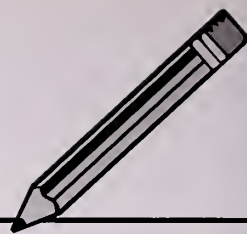

If a student wishes to take the media production course, their project may be seen on BevCam community access television, Channel 22. In addition to the student projects, BevCam also runs the production of two Beverly High television shows; Beverly Sports Weekly and News Notes.

Department Head and Teacher Mr. Bob Dunn oversees the student involvement in BevCam and has been impressed with the quality of work his students are putting forth. As years pass and technology becomes more and more essential to daily life, Mr. Dunn is excited to see just how far his students can go.

Beverly High Seniors (Left-Right) Trevor Levine, Chris McDonough, and Rachel Huxley-Cohen all played instrumental roles in the success of BevCam. As seniors, the three individuals each hosted a full-functioning, weekly television program. In the interest of Beverly High Sports, Trevor Levine and Chris McDonough ran Beverly Sports Weekly, an athletic update program with scores and write-ups from the previous week. In the news and features department, Rachel Huxley-Cohen originated News Notes, a show informing students and parents alike of the upcoming events in the Beverly High School calendar. As seniors, they will be greatly missed next year in the Media Productions Department and their work has set a foundation for years to follow.

Anime Club

At Beverly High School there are many clubs, from Model UN to Key Club, but behind this array of seemingly normal groups lurks a little-known, bizarre, and slightly insane society known only as Anime Club. This club is simply a group of fun and affectionate people gathering in the computer room to discuss, debate about, and watch anime. Though different from the average school organization, Anime Club can be quite enjoyable, whether you are an anime freak, or just a fan of a few Japanese movies. This club welcomes all kind of people.

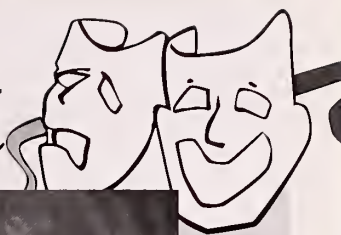

Messengers Of Bohemia

M.O.B., or the Messengers of Bohemia, was formed in fall 2006 by seniors Amanda Lozada and Dianne Upton. Created in a spurt of inspiration, the club was intended to bring together all those creative-types out there in a unionized force of artistic production. Although Lozada and Upton have not met all of their goals this year, they are confident in the group they have established and the objectives they have accomplished together. The M.O.B. met every Monday to plan and organize a series of admissions-free movie nights, as well as a Battle of the Bands (BOB), which they hope will become permanent institutions at BHS.

Freedom of Expression isn't just a right - It's a responsibility.

Stage Right

Emily Walk
Student Director

Jess Shaw
Student Director

One outstanding Stage Right member was Steph Harris. Steph competed in the English Speaking Union's Shakespeare Recitation Contest. She competed against other Beverly High students and won the Beverly competition. She then moved on to the regional competition at The National Heritage Museum in Lexington. Steph performed one of Lady Anne's monologues from Richard III. Although she did not move on to the next level we are very proud of Steph's accomplishments and wish her luck in all future endeavors.

The BHS drama club, Stage Right, had another successful year. The club's first production was the challenging 1930's comedy "The Man Who Came To Dinner" by Kaufmann and Hart. In addition, the club presented the musical Aida by Elton John and Tim Rice.

Members of the club include both the cast and the crew of all productions. The cast works hard memorizing lines, learning movement, and learning dialects. The crew constructs the set, controls sound and lighting, and makes sure the show runs smoothly. Mr. Robert Taylor and Mr. Lee Nadeau advised the crews on the construction of the remarkable sets.

The club is a great way for students interested in theatre to have fun, make new friends, and produce shows the public will love.

Seniors '07

Gay Straight Alliance

The Gay Straight Alliance Club at Beverly High School is a friendly and welcoming place for lesbians, bisexuals, gays, straights, and people with homosexual parents. The club consists of about ten people and is run by Ms. Michelle Burke. The purpose of the GSA club is to try to make the school a better place for all. Each April the Gay Straight Alliance participates in the National Day of Silence. On this day people vow to be silent in support of gay, lesbian, bisexual, and transsexual people. The members of GSA Club also attend a leadership conference in March which is sponsored by the Department of Education and marches in a parade in Boston with the rest of the Gay Straight Alliances in the state. Members of the club contribute to the school education by giving class presentations and speaking in health and life issues classes.

ROTC

With a whirlwind of events the ROTC Program welcomed another year full of activities and benefits. Despite the dramatic transition the program had to undergo in the beginning of the year, they bounced back with their new teacher and leader Colonel Louis Datillo. Leading 48 cadets (31 males and 17 females), Colonel Louis Datillo set up various projects and kept the cadets busy throughout the year.

Below is an excerpt from the timeline of the ROTC's numerous activities for two months:

Panther's Den

Once a week, an abundance of desserts, soups, and salad contents are cut, baked, and molded into succulent goodness. The students in Ms. Pitman's Food Services classes are preparing for the Panthers Den, a restaurant open to BHS staff only.

While having fun and learning, the students have a weekly hands-on experience in the restaurant business. They perform such jobs: as back-of-the-house, front-of-the-house, cashier, weigher, and refiller.

The Food Service ovens are never off, and their crock-pots are never empty.

The Future of Beverly High School

For the first time in decades, Beverly High School renovation plans are set to become a reality.

Construction on the new academic wing will begin in the upcoming summer.

Highlights of the newly planned renovations include WiFi classrooms, a Cyber Cafe, resurfaced fieldhouse, and new lockerrooms.

Synthetic playing fields and a new football stadium are also popular items under discussion.

The plans were generated by Beverly High teachers and faculty, students, parents, school committee, superintendent Dr. James Hayes, and the Beverly community.

The new building will likely consist of a new academic wing placed over the current parking lots. The current fieldhouse, auditorium, and cafeteria will all be renovated and incorporated into the design. All other parts of the current school will be torn down and rebuilt. If all goes according to schedule, Beverly will be looking at a newly renovated high school by fall 2009.

Guidance

Mr. Skip Tobin

Mr. Skip Tobin is retiring from BHS at the end of the 2006-2007 school year after 35 years in the system.

He began his career student teaching at Memorial Middle School.

"BHS has grown on me," said Tobin. "I will miss the students, teachers and parents. it has been a good ride. I will be forever grateful to the city of Beverly for what they have given me."

As for his retirement plans, Mr. Tobin will be keeping busy. He has a few jobs lined up, and some plans to do some handy work around the house. He will be traveling to Ireland in search of more music, as well as staying busy with camping, fishing, canoeing, and climbing.

Herr Guy, the Program Director of the Foreign Language Department, is one of the two German teachers at Beverly High.

Last year Guy introduced the German Immersion Program to prepare his AP students for the class. They spent six weeks in Germany, becoming accustomed to speaking the language fluently. This year Herr Guy took a group of CP students to Germany for two weeks as a part of the German Exchange Program. They stayed with families from Bargteheide, a suburb of Hamburg, during February vacation.

To help defray the cost of the exchange, Guy organizes ongoing fundraisers including selling Lindt Chocolate and hosting a traditional German dinner prepared by students on Parent's Night.

Herr Guy is a true asset to BHS.

Here at BHS, Ms. Hart is known as a helpful and generous English teacher, donating her time to make life a little easier for her students and fellow faculty members.

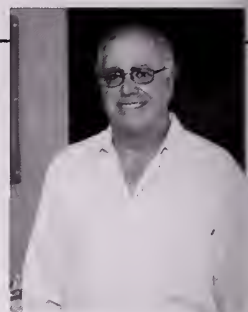

This prestigious award was undoubtedly well-deserved, as it is given to someone who demonstrates a gracious character and lively spirit within her community; that is exactly the kind of positive attitude Ms. Hart embodies. Congratulations and thank you, Ms. Hart!

Once he retires, Mr. Bamberger plans to take a second world tour, living in Europe in the summers and riding the rivers of America as the captain of the sailboat he is building. In his free time, he plans to finish his novel.

Mrs. Donna Hart Retires

Since 1984 Mrs. Donna Hart has been educating the young minds in the city of Beverly, with her charismatic and fun-loving personality.

Some of the many subjects she has taught include: Child Development, Peer Education, Life Issues, and Wellness. Mrs. Hart also helped coordinate activities such as World of Difference.

This year, however, Mrs. Hart is retiring. She hopes to be remembered "for teaching valuable life lessons", but is certain that her mark of being an easy-going teacher won't be forgotten.

Mrs. Hart is confident that the whirlwind of events she has experienced won't stop with her retirement. She plans to continue her involvement in Beverly education and pursue a career in Reiki Therapy.

Brittany Batchelder

Britt,

You were always wise and mature beyond your years, so when at 10 you told me you wanted a college scholarship I believed in you. Your determination and athletic ability is unmatched, so I knew if you were serious and worked hard enough you would accomplish your goal.

We have traveled far and wide together you and I, to New Zealand, Australia, New Mexico, California and all along the East Coast. You dragged me to the YMCA and the playgrounds in every city we visited and sometimes I dragged you, but through it all you worked and worked.

8 years later all your work, sweat and blisters have paid off. You got that scholarship offer you told me about many years ago. As you go through life and you hit a bump in the road, I want you to look back to those 8 years and remember what it took, what you did to get you where you are today. Apply that same work ethic and determination and there is nothing you cannot do. I may not be with you then, but remember back to the times when it seemed most difficult, that was when you were at your best. You never gave in, you never quit, you used your mind and body to overcome and persevere. Use those qualities at all times and only the best is in store for you.

Whatever happens to you in the future, remember this: My love and admiration for you is unconditional. If I had your work ethic and determination I would own the world.

PS: Have fun too...

Zak Fleming

Zak,

May you grow up to be righteous,
May you grow up to be true,
May you always see the truth
And see the lights surrounding
you.
May you always be courageous,
Stand upright and be strong,
May you stay forever young.

We Love You!
